a. Legal Recognition - The separate account is legally recognized. That is, the separate account is established, approve under special rules such as state insurance laws, federal securities laws, or similar foreign laws.	nancial SOP 03-1,	
b. Legally Insulated - The separate account assets supporting the contract liabilities are legally insulated from the gene of the insurance enterprise (that is, the contract holder is not subject to insurer default risk to the extent of the assets separate account).	nancial SOP 03-1, Yes [ ]	
c. Investment Directive - The insurer must, as a result of contractual, statutory, or regulatory requirements, invest the co	nancial SOP 03-1, d, and regulated al account liabilities	

funds within the separate account as directed by the contract holder in designated investment alternatives or in accordance with specific investment objectives or policies.

d. Investment Performance - All investment performance, net of contract fees and assessments, must as a result of contractual, statutory, or regulatory requirements be passed through to the individual contract holder. Contracts may specify conditions under which there may be a minimum guarantee, but not a ceiling, as a ceiling would prohibit all investment performance from being passed through to the contract holder.

8.3 Identify all separate account products and identify whether each product was classified within a separate account for GAAP reporting purposes. (For non-GAAP filers, this disclosure should reflect whether the GAAP classification would have been the same if GAAP financials had been completed.) For products that were (or would have been) reported differently, identify which SOP 03-1 condition prevented separate account GAAP classification for that particular product.
